

Cabrillo Marine Aquarium TEACHER WORKSHOPS

TIDEPOOLS for TEACHERS

Saturday January 21 🕒 12 - 3pm

Saturday, October 27 🕒 12 - 3pm

Come learn about the fascinating creatures found in California's rocky shores and take away hands-on classroom activities. We'll end the day by exploring the tidepools of Point Fermin State Marine Park.

The workshop is grant-sponsored and free of charge.

LAUSD pre-approved professional development opportunities for salary point credit.
For more information or to register contact the Aquarium at 310-548-7562.
