

## **Jayland Learning Job Posting:**

Jayland Learning, American owned and managed, is currently looking for qualified and enthusiastic individuals to fill open ESL teacher positions. Jayland Learning is committed to the “Western Style” education of students ranging from K-12, university level, adults and corporations. We are dedicated to bridging the cultural gap between China and the West through language, education, exposure and fun. We see the opportunity of bringing Western Educators and Chinese Students together as an equal opportunity for both sides to gain knowledge and cultural experience that can better serve them in their futures while sincerely enjoying the experience. We currently have 2 branches in Dalian, China with rapid expansion. We are a Legal and Officially Licensed Educational Organization with the rights to hire foreign educators in the Northeast of China. (It is always best to make sure the organization you are looking to work for can provide you the proper legal paperwork for employment as well as show their official license to hire foreigners. Otherwise you may run into problems after you arrive). We are looking for contract employees (minimum of 1 year) as well as employees who are looking for long-term opportunities that include management. We are committed to upholding Western values of teaching and quality, and are only interested in North American spoken style English due to our curriculum. We are currently recruiting directly out of schools of education in colleges and universities in the United States and Canada. We are specifically interested in individuals with a sincere commitment to education as well as those who seek an opportunity to enjoy learning a new culture and language.

Teachers are provided all standard benefits (feel free to inquire for details) as well as Chinese language education and paid domestic vacation packages.

### **About Dalian:**

Dalian is known as the “most livable city in China” (China Daily) because of its cleanliness and safety (surpassing Beijing, Shanghai, Wu Han, Chongqing, Shenzhen, Harbin, etc.). Its development is strongly influence by Japan and Korea quality of life is high, but without too much direct European and Western influence. The Northeast region produces a majority of the country’s agricultural products as well as an abundance of fresh seafood being a port city. Give yourself an edge with an international experience!

### **Brief Description of Position:**

- Develop and present English lessons to students.
- Evaluate student progress.
- Maintain proper classroom control and learning environment.
- Assist in curriculum development.

### **Major Duties and Responsibilities:**

- Develop and present lessons that demonstrate the level of preparation that is consistent with the approved course of study.
- Develop and present lessons where performance objectives/competencies are understood by the student.
- Evaluate student progress based primarily on achievement of performance objectives/competencies.
- Use a variety of instructional techniques and materials which are appropriate to the course.
- Maintain current and accurate records of student attendance and progress.

- Demonstrate and promote punctuality.
- Participate with fellow staff members in the development and implementation of curriculum and instruction.
- Keep current in subject area and continually works for the improvement of instructional techniques.

**Minimum Qualifications:**

Teaching degree or credential from an accredited college or university. TEFL/TESOL/CELTA certification is a plus. Significant prior teaching experience is necessary without proper educational degree.

**Wages/Salary:**

6,000-8000 RMB/month for TEFL/TESOL certified teachers.

Salary may be negotiable with credential. We offer a comprehensive package of overtime, paid vacation time and a paid domestic travel package.

**Teaching schedule:**

Each teacher will have 20-40 working hours with teaching hours and planning included. We offer different teaching contracts upon desired working hours.

**Application/Selection Procedure:**

Please submit via email a current resume that details your education and complete work history, a cover letter and all college transcripts. Applications will be screened by appropriate department representatives on an as-needed basis. Qualified applicants who best meet the needs of the division will be contacted for an interview.
