

# Meal Documentation

Please contact the seminar site at 562-435-8511 for specific driving directions and parking information. You can also obtain the address and phone number of the site location by visiting our website at <http://www.ber.org> where you may map the location at mapquest. In cases of weather so adverse that schools are closing for the day, please call the hotel the morning of the seminar before you leave home to confirm whether or not the seminar will be held.

Lunch is on your own for this seminar. Remember that meeting room temperatures may vary so we suggest you wear layered clothing for your comfort.

Conference documentation must clearly state that meals are provided/are not provided.

Meal reimbursement must be pre-approved and is limited to conferences lasting 2 days or more.

No reimbursement for any meal(s) that were provided as part of the conference registration fee.

## BUILDING BLOCKS FOR MIDDLE SCHOOL PROGRAM IMPROVEMENT

Guiding improvement activities to fully implement the components of the Middle School Academic Program Survey can be a daunting task. At this session, the presenter will demonstrate how the Essential Program Components guided the design of a Middle School Student Success Model that meets the needs of Benchmark, Strategic and Intensive Intervention students.
